Leading Together 2013 Session 1: Leadership for Change

Vision to Action Planning Exercise

1. **Vision.** What image best describes the future of your community?

2. **Outcomes.** What are the top three results you would like to see that will move you toward this vision?

3. **Actions.** What 3-5 actions are essential for achieving the results you would like to see?

4. **Assets.** What support, skills, or partners do you need to complete on these actions?

5. **Progress.** How can you tell that you are moving toward or have reached your goal?

6. **Leadership.** What role do visioning, action planning, asset mapping, and measuring progress have on supporting community leadership and capacity?
