

2019 Small Grants Available

Houston LISC offers small grants to support community-led projects, activities and campaigns. Small grants aim to seed community building and improve quality of life. LISC will host two information sessions for those interested in learning about the grants and how to apply.

Have a great idea to improve your community?

LISC's Small Grants (\$500-\$2500) support

- Community relationship building and civic engagement
- Projects that improve quality of life

Applications deadline **April 1, 2019**

Awards announced April 29, 2019

Attend an in-person workshop or webinar to learn how to apply
